BACKGROUND

The Arms Trade Treaty (ATT) was adopted by UN member States in April 2013 and entered into force on 24 December 2014. The aim of the Treaty is to regulate the international trade in conventional arms and to prevent and eradicate the illicit trade in conventional arms and prevent their diversion. To date there are 104 States Parties to the Treaty, 33 States that have signed the Treaty but not yet ratified the Treaty (Signatory States), and 57 States that have not yet joined the Treaty.

The ATT process involves an annual cycle whereby a Conference of States Parties (CSP) is held each year, and informal preparatory meetings are held in the intersessional period between the CSPs to facilitate the Conference deliberations and outcome. Three subsidiary bodies in the form of Working Groups have been established to carry forward the substantive work involved in the implementation and universalization of the Treaty – the Working Group on Effective Treaty Implementation (WGETI), the Working Group on Transparency and Reporting (WGTR) and the Working Group on Treaty Universalization (WGTU). These Working Groups hold their meetings in conjunction with the informal preparatory meetings of CSPs.

The ATT Secretariat was established under Article 18 of the Treaty to assist States Parties in the implementation of the Treaty and support the Treaty process. The ATT Secretariat is based in Geneva, Switzerland.

The ATT Secretariat is also tasked with administering a sponsorship programme to enable delegates from States listed by OECD DAC as ODA recipients (as well as small economy States, including but not limited to small island states, not listed on the OECD-DAC list) to attend ATT meetings.¹

AIM OF PROPOSAL

The aim of this funding proposal is to solicit voluntary financial contributions to facilitate the continued administration of the sponsorship programme by the ATT Secretariat. The proposal includes a description of the sponsorship programme the ATT Secretariat has established, the ATT Secretariat’s plans for managing the sponsorship programme, the proposed budget for the sponsorship programme, and the details of how to make a voluntary contribution.

PROJECT GOAL

The overall goal of the project is to maximize the scale and diversity of participation in ATT meetings to ensure representative and participatory discourse during the meetings and, ultimately, contribute to strengthening implementation and universalization of the Treaty. A secondary aim is to build the capacity of delegates on ATT-related issues with a view to enabling them to become ‘ATT advocates’ in their countries and regions.

Participation in ATT meetings by a broad range and number of State delegates will ensure representative and universalization of the Treaty. It ensures States Parties are part of the decision-making process and engage in substantive discussions on Treaty implementation; it helps Signatory States build their capacity to ratify the Treaty and access information on international assistance that is available; and it helps States that have not yet joined the Treaty understand the implications and benefits of joining the Treaty.

PROJECT DESCRIPTION

ELIGIBILITY

With respect to the eligibility of States, all States listed by OECD DAC as ODA recipients (see Annex A) as well as small economy States, including but not limited to small island states, not listed on the OECD-DAC list, will be eligible to apply to the ATT sponsorship programme. The application for sponsorship will require the submission of an application form as well as a Note Verbale signed by the relevant Government institution.

---

2 The ATT sponsorship programme is limited to States. Donors who are interested in funding the participation of regional organizations, non-governmental organizations (NGOs) and civil society in the ATT process are encouraged to contact the regional organizations and/or the NGO community directly.
Applicants to the ATT sponsorship programme will be selected based on the application of the protocol to guide the selection process contained in Annex A to the Administrative Guidelines governing the ATT Sponsorship Programme, which were adopted by the Fifth Conference of States Parties (CSP5) in August 2019 (see footnote 1) and which form Annex B to this proposal.

The selection criteria of the Administrative Guidelines stipulate that the following considerations shall apply to the selection of representatives from States:

— Equitable regional representation considerations;
— Gender equality considerations, taking efforts to ensure the overall equal representation of women and men in ATT meetings;
— ATT Status (i.e. whether the applicant is a State Party, Signatory State, or a State that has not yet joined the Treaty), with due regard for ATT implementation and universalization priorities as determined by CSPs; and
— Expertise and role of applicant, including whether the applicant State is a member or office-holder of any committee or subsidiary body.

In addition, paragraph 2 of the Selection Criteria stipulates that: ‘If there are insufficient funds available to sponsor all the applicants that are eligible to be selected for sponsorship following the application of the above considerations, priority will be given to applicants from States who are in compliance with their financial obligations under the ATT.’ However, CSP5 effectively suspended to application of this consideration until CSP6 (see paragraph 37 of the CSP5 Final Report (ATT/CSP5/2019/SEC/536/Conf.FinRep.Rev1)).

Following the application of the selection criteria to applicants, the ATT Secretariat shall draft a shortlist of eligible applicants for sponsorship for each meeting where sponsorship funds are available and shall circulate the shortlist to States that have contributed to the ATT sponsorship programme (‘donors to the ATT sponsorship programme’). Subject to any input from a donor or donors to the ATT sponsorship programme, the ATT Secretariat shall decide on the applicants to be sponsored for each ATT meeting where sponsorship funds are available, based on the shortlist.

The ATT Secretariat will provide the following services to sponsored delegates:

— A return economy air ticket (most direct and economic route with arrival and departure in reference to conference/meeting dates)
— Travel insurance
- Accommodation inclusive of breakfast and taxes
- Allowances (per diems) for expenses (lunch (USD 30) and dinner (USD 40)) to sponsored delegates (adjusted to take into account any meals provided by the host)
- Terminal allowances (for ground transportation) to sponsored delegates for travel to and from the airport in their home country
- Terminal allowances (for ground transportation) to sponsored delegates where a meeting or Conference of States Parties is taking place in a city other than Geneva
- Other reasonable expenses, such as visa fees and airport taxes, upon submission of receipts
- If needed, providing a letter in support of a delegate’s visa application

In addition, the ATT Secretariat plans to hold a ‘briefing day’ for sponsored delegates in advance of preparatory meetings to raise their understanding and awareness of the issues to be addressed at the upcoming meeting, build their knowledge and capacity on ATT-related issues, and conduct outreach regarding the ATT Voluntary Trust Fund (VTF), with a view to a) enabling them to become advocates for ATT outreach and awareness raising in their own countries and regions; b) encouraging and assisting sponsored delegates’ States to apply for VTF funding; and c) building their capacity to participate in meetings and convey meeting outcomes to their constituents in capital.

ACCOUNTING AND REPORTING

The ATT Secretariat will request all sponsored delegates to complete a survey at the end of their sponsorship to provide feedback on the accessibility and efficacy of the ATT sponsorship programme. This will enable the ATT Secretariat to address any shortcomings in the design and administration of the ATT sponsorship programme and continue to make improvements in the longer-term operations of the ATT sponsorship programme. The ATT Secretariat distributed such a survey to sponsored delegates who attended CSP5 to seek their feedback on the sponsorship programme. The overwhelming majority of sponsored delegates that completed the survey were more than satisfied with the administrative support provided by the ATT Secretariat, including the application process, the logistical information provided to delegates, support for visa applications, and overall level of support and organisation prior to and during the Conference.

All activities of the ATT sponsorship programme will be subject to the annual audit process of the ATT Secretariat conducted in accordance with the ATT Financial Rules. The ATT Secretariat has established a separate bank account dedicated to the sponsorship programme to facilitate transparency in the accounting and auditing of the sponsorship programme.

The ATT Secretariat will report on the status and implementation of the ATT sponsorship programme at Conferences of States Parties and the report will be made publicly available on the ATT website. The report submitted to CSP5 is available in English, Arabic, French, Russian and Spanish here: https://www.thearmstradetreaty.org/conference-documents-csp-5.html?templateId=1273226
**BUDGET ESTIMATE**

The total budget estimate for the ATT Sponsorship Programme for CSP6 is **USD 221'584**. A detailed breakdown of associated costs is included in Annex C.

**ADMINISTRATION**

Up to eight percent (8%) of sponsorship funds will be allocated to the administration of the ATT Sponsorship Programme. These funds will be committed to, *inter alia*, advertising the sponsorship programme, procuring services associated with the sponsorship programme including the engagement of a travel agency, hiring additional (temporary) staff to assist sponsored delegates with their participation in meetings, and communication costs associated with the sponsorship programme.

**BANK ACCOUNT FOR CONTRIBUTIONS**

The ATT Secretariat has established a separate bank account dedicated to the sponsorship programme to facilitate transparency in the accounting and auditing of the sponsorship programme. The details of the bank account are as follows:

- **Account name:** ATT Sponsorship Programme

ANNEX A. GENERAL PRINCIPLES FOR SELECTION OF DELEGATES TO BE SPONSORED BY THE ATT SPONSORSHIP PROGRAMME

Eligibility Criteria

1. States may apply for sponsorship to attend an ATT meeting.

2. Applicants must fulfil all the application requirements developed in accordance with the Guidelines in order to be eligible for sponsorship.

3. Applicants must ensure that any sponsorship funding received from the ATT sponsorship programme does not duplicate funding received from other sources. In case of violation of this principle, future sponsorship may be withdrawn for up to two years.

Selection Criteria

1. The following considerations shall apply to the selection of representatives from States on the OEC-DAC list as ODA recipients (as well as small economy States, including but not limited to small island states, not listed on the OECD-DAC list):
   
   • Equitable regional representation considerations;
   • Gender equality considerations, taking efforts to ensure the overall equal representation of women and men in ATT meetings;
   • ATT Status (i.e. whether the applicant is a State Party, Signatory State, or a State that has not yet joined the Treaty), with due regard for ATT implementation and universalization priorities as determined by CSPs; and
   • Expertise and role of applicant, including whether the applicant State is a member or office-holder of any committee or subsidiary body.

2. If there are insufficient funds available to sponsor all the applicants that are eligible to be selected for sponsorship following the application of the above considerations, priority will be given to applicants from States who are in compliance with their financial obligations under the ATT.

***
ANNEX B. ATT SPONSORSHIP PROGRAMME: FINANCIAL PROTOCOL

This protocol establishes guidelines for the determination of the financial entitlements of sponsored delegates.

4. Under very exceptional circumstances (such as a medical emergency or death in the delegate’s family), the ATT Secretariat may cover the cost of changes made to a ticket.

5. Under no circumstances will the ATT Secretariat cover expenses that result from changes in travel arrangements that it has not authorised, that arise as a consequence of the delegates fault or negligence (e.g. missing a flight), or those unrelated to participation in the relevant meeting or Conference.

   b. Sponsored delegates will receive an additional terminal allowance to facilitate their travel to and from the airport in the country where the meeting is being held (‘host country’). This will be determined according to the city where the meeting is being held and the transport options available; and
   c. Where the hotel accommodation is not within walking distance (1 km, approximately 15 minutes) of the meeting venue or where a sponsored delegate has a disability, sponsored delegates will receive an additional stipend to cover the costs of travelling to and from the
meeting venue by public transport (determined according to venue location and local pricing).

8. The costs of any additional travel undertaken by the sponsored delegate during his/her stay that do not relate directly to participation in the ATT meeting will be borne by the sponsored delegate.
