

The Permanent Mission of Israel to the United Nations Office and other International Organizations in Geneva presents its compliments to the United Nations Office for Disarmament and has the honor to communicate below our position regarding the Palestinian participation at the Ninth Conference of States Parties (CSP9) to the Arms Trade Treaty (ATT) to be held from 21-25 August 2023.

In accordance with the letter, submitted by Israel to the depositary on 29 March 2018, regarding the purported Palestinian accession to the convention, membership in the convention, any presentation of credentials, as well as all official documents of the ATT and lists in those documents, do not imply the expression of any opinion regarding, and is without prejudice to, the legal status of any country or territory or of its authorities.

The Permanent Mission of Israel to the United Nations Office and other International Organizations in Geneva avails itself of this opportunity to renew to the United Nations Office for Disarmament the assurances of its highest consideration.
